

## Our Commitment

Professional Entertainment for your most important date.

## EXPERIENCE AND QUALITY

Our commitment is to provide you and your guests with the best DJ entertainment, while fulfilling your photographic needs for your special event. WeddingDanceDJ.com has been providing quality service locally in the Missouri and Kansas area since 2005.

As you are preparing for one of the most important days in your life, you want to make sure that everything is perfect - right down to the last detail. Keep in mind that the entertainment & photography you choose is a central part of making your event a success.

It's more than just being a DJ or photographer; we will serve as your master of ceremonies. We will take care of all the necessary announcements and work with all your wedding vendors to make sure that everything goes according to your plan. We will interact with your crowd as much as you want us to. Whether you are looking for a "low key" event or a lot of interaction, we are committed to giving you our 100% to make your special event a huge success.

When you book with us, we will provide a Contract that lists all of the services you have requested us to provide. This will allow you to know that the services you will be receiving are exactly what you have requested.

Our care and concern for your special event is second only to your own. Bringing our experience to your one special day means making your vision of the perfect celebration a reality. The investment you make in our services reflects the expertise and quality provided to you from your first call to your last dance.

## TESTIMONIAL

I fell in love with the friendly and genuine interest that DJ Tower took in making my rehearsal, wedding, and reception exactly what I wanted. He listened to the words and descriptions on the music, lights, and photography that I wanted, then he provided the entertainment and pictures that will last a lifetime.

Thank you DJ Tower!
